Features

- Designed to help sustain our planet
- Committed to achieving Net Zero
- Certified to OEKO-TEX® STANDARD 100
- 15 gauge sustainable seamless liner
- RCS (Recycled Claim Standard) Accredited
- Water-based PU palm coating
- Touch screen compatible
- Contact heat resistant

Benefits

- Nitrex 255RP sustainable seamless liners are designed with 50% recycled polyester yarn* reducing our carbon footprint by 15.4g CO₂ equivalent / pair** The finished good uses plastic-free inner packaging
 - Through Ecologi, we neutralise any emissions we cannot avoid related to this product, by funding projects that remove carbon directly from the atmosphere
 - Independently certified by OEKO-TEX®, tested for harmful substances
 - Superlight duty liner offers excellent dexterity and flexibility to reduce hand fatigue
 - The RCS is associated with products containing recycled materials
 - Durable and environmentally friendly, water-based PU allows dexterity and excellent dry / damp grip
 - The product allows use of touch screens without having to remove the gloves and put hands at risk of injury
 - Contact heat resistant to temperatures up to 100°C
- * based on size 10
** versus virgin material
